To Whom It May Concern

We confirm that we have procured TADGER Emission Reduction KITS from M/s. Efficient Transportation Solutions (Formerly M/s. TADGER Group International), Ontario, Canada against our orders No. 7600335/DFD/L8 dated 16 July 2008 and No.7600429/DFD/L8 dated 21 July, 2009 and we have installed the Kits in our Power Pack Engines of Rigs and have resulted in 5 % (approx) reduction in fuel consumption without any effect on the engines.

We confirm that we get full support from their Indian Distributor, M/s. Manobina Enterprise (I) Pvt. Ltd., Kolkata as and when required.

We also confirm that we are processing more orders for TADGER Emission Reduction Kits for our other engines.
